A-Team Culture

Centennial Manor's culture journey started in 2016 with the Cheddar Community and in 2018 it was expanded to include all Centennial Manor.

The A-team is an advisory committee that is comprised of front line, resident, family, and supervisory members that work towards fulfilling the aspirations statement and implementing activities.

Aspirations statements were developed with consultation and input from members of the Centennial Manor communities.

The HCM Auxiliary has supported the culture change by successfully applying for New Horizon for Seniors Grants.

The 2022-2023 New Horizon grant funding is focusing on Diversity, Culture, and Inclusiveness (DCI). Upcoming activities to include:

- Language pole with "All are Welcome" in multiple languages.
- DCI Logo challenge. Logo to be used on T-shirt's.
- Story board podiums in the courtyard
- Indigenous activities and education
- Cultural mural being done by two young community members.
